Test Update – Reference Range Change Russell Viper Venom Time

Effective immediately, the University of Colorado Hospital Clinical Laboratory has revised the RVVT Ratio reference range to reflect the sensitivity of the test method.

Test Code	Old Reference Range	New Reference Range
RVVT DIL	27.0 – 42.0 sec.	28.0 – 41.0 sec.
RVVT RATIO	Less than 1.31	Less than 1.24

Please contact Stuart Lind, MD, at 303-724-1383 if you have any questions, or visit our website at <http://www.uch.edu/for-healthcare-professional/Clinical-Laboratory/index.aspx> for additional information.
