## Test Update – Billing Change Russell Viper Venom Time (RVVT)

Effective immediately, the University of Colorado Hospital Clinical Laboratory has revised the RVVT billing codes of the test method; including initial testing performed on the undiluted sample and if needed subsequent testing on the diluted sample.

Test Code	Old CPT code	Updated CPT code
RVVT undiluted	85613	85612
RVVT diluted, if needed	85613	85613
