Test Sendout

Effective immediately, the University of Colorado Hospital Clinical Laboratory will send out all Enterovirus PCR testing (ENTPCR) due to reagent supply problems. The duration of this sendout period is expected to be no more than three weeks.

Please be advised that during this period only plasma and CSF samples will be accepted for Enterovirus PCR testing.

If you have any questions or special concerns, contact the University of Colorado Hospital Clinical Laboratory Molecular Diagnostics Department at 720-848-6892 or visit our website at <http://clinlab.uch.edu> for additional information.
