

Care Team

The CeDAR CARE Team includes some of the nation's top addiction professionals dedicated to delivering results-oriented treatment in a caring and confidential environment.

Franklin Lisnow, MEd, MAC, *Executive Director*

Mr. Lisnow has 35 years of experience in treating chemically dependent individuals and their families. He served as vice president of a 110-bed Pennsylvania treatment center and as administrator at Northeast Kingdom Mental Health in Vermont. Mr. Lisnow co-founded the Vermont Addiction Counselors Association. He is the past president and 10-year board member of the National Association of Alcoholism and Drug Abuse Counselors, and serves on the board of the Society of Addiction Counselors of Colorado. A frequent national spokesman about addiction treatment issues, he has authored numerous articles and publications in the addiction field and has lectured extensively.

Jonathan I. Ritvo, M.D., *Medical Director*

Dr. Jonathan I. Ritvo brings more than 30 years of experience in addiction psychiatry to CeDAR. Trained at Harvard Medical School and the University of Colorado Health Sciences Center, Dr. Ritvo is board certified in addiction psychiatry. He is an esteemed educator and has held numerous leadership positions in the addiction psychiatry residency program at University of Colorado Hospital. He also has served as chair of the committee on training and education in addiction psychiatry in the American Psychiatric Association. Dr. Ritvo was recognized as one of Denver's Top Doctors in 5280 *Denver's Magazine*.

*University of Colorado School of Medicine Faculty
Appointment: Clinical Professor of Psychiatry*

Care Team

Sandra Loftin, M.D.

Attending Psychiatrist

Dr. Loftin is a graduate of Mercer University School of Medicine in Macon, GA. She completed her general psychiatry residency training in Denver at the University of Colorado Health Sciences Center. She also completed fellowships in both Addiction and Infant Mental Health at the University of Colorado Hospital in June 2007. She is board eligible in both psychiatry and addiction psychiatry. She has a special interest in working with women with addictions.

University of Colorado School of Medicine Faculty

Appointment: Instructor

Anne Felton, RN, ND

Nurse Manager

Anne received her nursing doctorate from the University of Colorado Health Sciences Center in 1999, and has since been working at University of Colorado Hospital providing exceptional service in both behavioral health care and psycho-social emergency assessment. Anne has co-authored two chapters in the Emergency Nursing Secrets (2nd ed.) and presents at numerous conferences.

Michael Dinneen, LCSW, CAC III

Clinical Coordinator

Michael has 14 years of experience covering multiple facets of addiction treatment and education, including adult inpatient, intensive outpatient and DUI /offender programs. He is certified as an addiction counselor and intervention specialist. Additionally, he is an international trainer and mentor for addiction counselors. Michael's ability to empathetically connect with patients stems from his broad personal experience and dedication to recovery.
