

Your CT scan is scheduled on \_\_\_\_\_ at \_\_\_\_\_ in the: **Anschutz Inpatient Pavilion**

## PREPARATION

If you are receiving **IV contrast and/or Oral contrast**, you must arrive one hour before your scheduled time to complete paperwork and get your IV. If you are to drink contrast, you will receive your oral contrast at this time. If you have an allergy to iodine or CT contrast, please contact your physician immediately for further instructions.

You are required to have a **creatinine** drawn (a renal function blood test) within **30** days of your scan if you have:

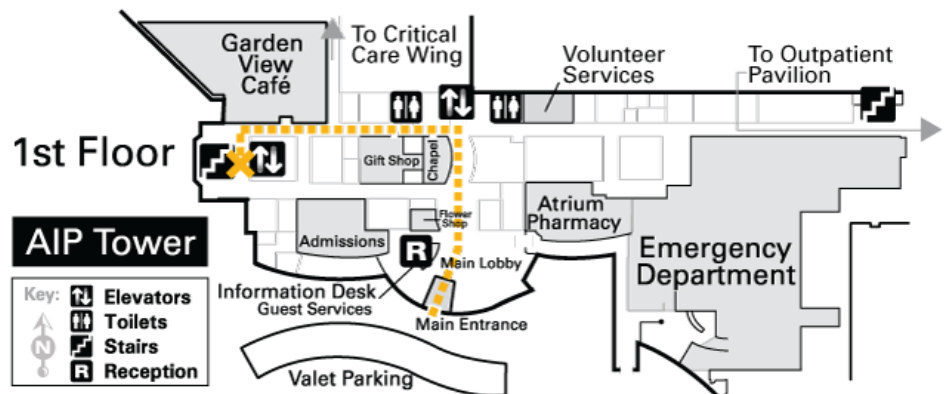

- (1) Pre-existing kidney disease
- (2) Dehydration
- (3) Diabetes and kidney disease
- (4) Congestive heart failure
- (5) Age (over 64)
- (6) Chronic high blood pressure or taking blood pressure medication.

This blood test is ordered by your physician or clinic only and you must bring the results with you if they are drawn at an outside facility or have them in the system at UCH.

## DIRECTIONS TO ANSCHUTZ INPATIENT PAVILION RADIOLOGY:

Enter the main hospital Anschutz Inpatient Pavilion entrance (near the Emergency Department) Walk straight back toward the elevators and turn left at the main corridor. You will pass the gift shop and the Garden View Café. At the end of the hallway, turn left. Take the **purple elevators** down to the **basement**. This bank of elevators says “Staff Use Only”, but can be used by patients and visitors to get to the basement. In the basement, go right, and then take your first left. The Radiology waiting room will be the first department on your left. Signs are visible.

**Anschutz Inpatient Pavilion**  
**Department of Radiology**  
12605 E 16<sup>th</sup> Ave  
Aurora CO 80045
